Esplanade Waterfront Grandstand

ACCESS AREA : Zones 4 only

After a sharp right-hander at Turn 16, cars will accelerate towards the Marina waterfront for a second gear left-hander, past the Bay Grandstand. This section of track will work the brakes hard and place a premium on slow speed traction, not to mention the drivers' finesse. From these seats patrons can enjoy direct access to the Esplanade Outdoor Theatre, hosting sunset and post-race performances.
