

Cars negotiating Turn 8

Double the excitement at Turns 8 and 14

Electrifying the crowd

Stamford Grandstand

ACCESS AREA : Zones 4 only

For those who can't get enough of the action, you will enjoy views of the cars negotiating more than one turn. Spectators will enjoy views of Turn 7, which produced one of the best overtaking opportunities last year. Here the cars brake from nearly 300km/h down to 90km/h for the second gear left-hander onto Nicoll Highway.

Spectators will enjoy views of Turn 8 and from selected seats cars can be seen approaching Turn 14 as they come round again in the second half of the lap.
